Description of Change

The product Housing has been redesigned – amended slightly – please see Illustration of change below. Product Performance difference is negligible.

Schedule

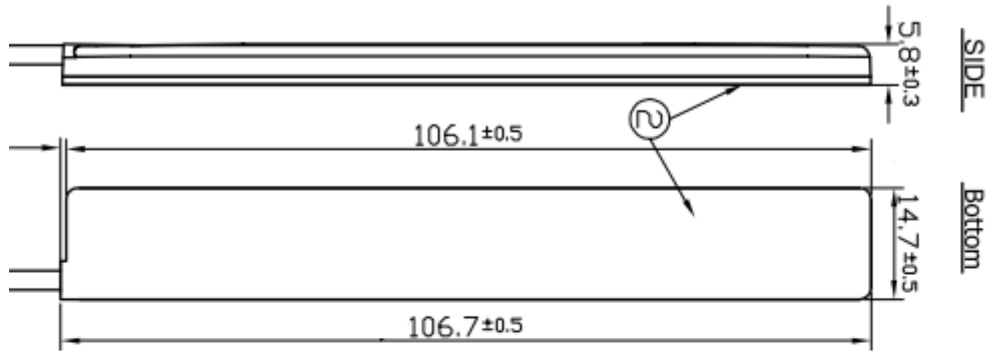

The Estimated Transition Date is the forecast date at which customers should be prepared to receive the changed product with the New Type Number. The exact date depends on Taoglas stock depletion and may be affected by fluctuations in supply and demand. Taoglas will continue to ship the Old Type Number until inventory has been depleted. This may result in product with the Old Type Number being shipped to customers beyond the forecast Estimated Transition Date.
